BASKETBALL OPERATIONS

SAM PRESTI

EXECUTIVE VICE PRESIDENT & GENERAL MANAGER

Sam Presti is in his 20th season with the Thunder franchise and is the third-longest-tenured head of basketball operations in the NBA. Over that span, the Thunder have grown from a newly relocated franchise into one of the league's most successful programs and one of professional sport's most respected organizations.

Presti was 29 years old when he was named General Manager on June 7, 2007, making him the second youngest person to ever hold the position in NBA history. The next season he was promoted to Executive Vice President and General Manager by Professional Basketball Club Chairman Clayton I. Bennett. Presti and Bennett represent the second-longest pairing for a head of basketball operations and Governor of an NBA team.

Dating back to 2010, Presti has guided the Thunder to the best record in the NBA (834-524; .614) and 10 seasons of 50 or more wins, the most in the NBA during that span, all while playing in one of the smallest markets in the league.

This past season, the Thunder achieved the top seed in the Western Conference for a third consecutive year. Oklahoma City joined the Los Angeles Lakers (2007-2009) and the Golden State Warriors (2014-2016) as the only teams in the past 30 years to register a No. 1 seed for three straight seasons.

During the 2025-26 season, the Thunder joined the Warriors as the only other NBA team to claim back-to-back 64+ win seasons in the past quarter century. The Thunder also advanced to the Western Conference Finals for the sixth time under Presti.

Under Presti's leadership, Oklahoma City has advanced to the postseason 14 times in the last 17 seasons, the second-most appearances for any NBA team during this span.

In 2024-25, Presti oversaw one of the most accomplished championship seasons in NBA history. Oklahoma City set a franchise record with 68 wins (tied for the 5th most wins in NBA history) en route to winning the first NBA Championship in franchise history. After claiming a Game 7 victory over the Indiana Pacers, the Thunder became the second-youngest team in NBA history to win a title.

During the historic season, the Thunder registered the largest point differential in NBA history, winning games by an average of 12.9 points per game to surpass the previous record set by the 1971-72 Los Angeles Lakers. Oklahoma City finished the season with a 29-1 record against the Eastern Conference which also stands as the best record in league history versus an opposing conference.

At the conclusion of the 2024-25 season, Presti made history by joining Red Auerbach, Jerry West and Pat Riley to become only the fourth General Manager in NBA history to lead their respective teams to multiple 60-win seasons with entirely different rosters. Presti was also named the 2024-25 NBA Basketball Executive of the Year.

Throughout Presti's leadership in Oklahoma City, the Thunder have captured nine Northwest Division championships, reached the Conference Finals six times and the NBA Finals twice.

Oklahoma City's success has spanned two distinct eras. From 2009-20, the Thunder built a period of sustained success, owning the seventh-best record among all teams in the four major North American professional sports leagues in that span, as well as the second-best record in the NBA.

The start of the Thunder's first era saw Oklahoma City experience one of the largest turnarounds in NBA history during the 2009-10 season. A year after winning 23 games in its inaugural season, the Thunder concluded the 2009-10 campaign with a 50-32 record (.610) and captured the franchise's first playoff berth in Oklahoma City. The 27-win improvement was tied for the eighth-largest in NBA history. Presti was named NBA Executive of the Year by the Sporting News at the conclusion of the season.

Since the NBA/ABA merger in 1976, the Thunder have enjoyed the most successful first 18 seasons of any expansion or relocation team, ranking first in wins per season, winning percentage, net rating, number of All-NBA players, playoff series wins, division titles and Conference Finals appearances, and second in Finals appearances and NBA titles, compared to the other 17 expansion or relocation teams.

Across the near two decade run in Oklahoma City, Presti and his staff have built the different iterations of the team through various methods by building an exceptional record in the draft, executing transformative trades and signings, all while establishing development as a foundation of the organization.

As the only active General Manager to draft five All-NBA players, Presti built the core of the first era of the Thunder through the draft by selecting Kevin Durant with the second overall pick in the 2007 draft, followed that by drafting Russell

Westbrook and Serge Ibaka with the fourth and 24th picks in the 2008 draft and then took James Harden with the third overall pick in 2009. The selections of Durant, Westbrook and Harden marked the only time in NBA history where future MVPs were selected by the same GM in three consecutive drafts.

More recently, Chet Holmgren (2nd) and Jalen Williams (12th) were picked by the Thunder in the 2002 NBA Draft and have gone on to establish themselves as All-NBA and All-Defensive team players. Additionally, Cason Wallace, who was drafted 10th overall in the 2023 NBA Draft, was named to an All-Defensive Team during the 2025-26 season.

Presti has also executed transformative trades to complement his success in the NBA Draft. After acquiring six-time All-Star Paul George in a landmark trade with the Indiana Pacers in June 2017, the Thunder signed George to a multi-year deal in the summer of 2018, a year after signing Russell Westbrook to his third multi-year contract extension in September 2017. Following the 2018-19 season, Presti began repositioning and replenishing the franchise with a series of moves, acquiring Chris Paul, Shai Gilgeous-Alexander, Danilo Gallinari, eight first-round draft picks and four pick swaps in separate deals involving Paul George, Russell Westbrook and Jerami Grant. In the George deal alone, the Thunder acquired five first-round picks, a record for first-round picks acquired in a single trade.

Before the 2020-21 season, as the repositioning continued, Presti and the Thunder executed 11 trades with 15 different teams, marking the most activity for a team in a single offseason since the advent of the NBA Draft Lottery in 1985. That groundwork produced much of hte foundation of the 2025 championship roster. The Thunder currently hold 13 first round and 16 second round picks, along with four first-round swaps through the 2031 NBA Draft.

During the summer of 2025, Presti signed Gilgeous-Alexander, Holmgren and Williams to multi-year contracts with the Thunder that keep the team's young core together into the next decade.

As one of the premier franchises for player development, Thunder teams and individuals have set historic marks at very young ages. During the 2023-24 season, the Thunder became the youngest team in NBA history to win 55 games and claim the No. 1 seed in either conference and win a playoff series. The Thunder achieved a 16-win improvement in the 2022-23 season, and a 17-win improvement in 2023-24, making the Thunder one of just four teams in NBA history to see that level of improvement in consecutive seasons. The 2023-24 Thunder also set an NBA record by becoming the youngest team to win 50 games and clinch a playoff berth, records that were previously set by the Thunder in 2010.

During Presti's tenure, the Thunder front office has drafted or traded for 15 All-Stars (K. Durant, R. Westbrook, J. Harden, C. Holmgren, V. Oladipo, D. Sabonis, P. George, C. Anthony, C. Paul, A. Horford, S. Gilgeous-Alexander, G. Hayward and J. Williams). Since 2008, the Thunder lead the NBA with 18 First Team or Second Team All-NBA appearances. The Thunder are also one of only five teams to have 22 or more All-Star appearances since 2009-10.

Shai Gilgeous-Alexander's back-to-back MVP awards (2025 and 2026) followed Kevin Durant (2014) and Russell Westbrook (2017), making the Thunder the only team in NBA history to have three different MVP winners within a 12-year window.

Just as player development has been a signature of the Thunder, so has the development of people throughout the organization. During his tenure in Oklahoma City, Presti has hired three head coaches, each in his first NBA head coaching job. The Thunder are the only team in NBA history to have three consecutive coaches named Coach of the Year (Scott Brooks- 2011, Billy Donovan – 2020 and Mark Daigneault - 2024).

Since 2010, more front office executives have gone on to become NBA general managers from the Thunder than from any other team, including Rich Cho, Will Dawkins, Rob Hennigan, Michael Winger and Troy Weaver.

Presti has also devoted time serving on several NBA committees. At the request of former NBA Commissioner David Stern, Presti was named to the league's first-ever Competition Committee in May of 2012. During his first term (2012-2018), Presti was a part of the committee that enacted several rule changes, such as concussion protocol, a package of rules to increase game flow, player rest policies, anti-flopping rules, deliberate away-from-the-play fouls, modifications to playoff seeding, qualification and tie-breakers, and adjustments to the NBA Finals scheduling format.

More recently, Presti was asked by NBA Commissioner Adam Silver to rejoin the Competition Committee as the league seeks to advance the game in the next generation. Presti's appointment makes him the first person in NBA history to serve multiple terms on the Competition Committee.

Additionally, in 2009, Presti was asked to serve on the NBA's Instant Replay Committee which helped lay the groundwork for rule changes that the Competition Committee would later make regarding instant replay expansion and the expanded use of the replay center. He has also been a part of the General Manager Sub-Committee which was designed to help identify opportunities to enhance the future of the NBA. Presti has also lent his expertise to multiple other NBA subcommittee's, including the Europe Sub-Committee, the NBA Expansion Sub-Committee and the Draft Credit Sub-Committee.

Prior to joining the Thunder, Presti held a variety of roles with the San Antonio Spurs. After starting in 2000 as a video intern for Gregg Popovich, Presti moved up through the front office ranks under the leadership of R.C. Buford before being elevated to the position of Vice President and Assistant General Manager. As a member of the Spurs, Presti was part of NBA Championship teams in 2003, 2005 and 2007, as well as five division titles. During Presti's tenure in San Antonio, the Spurs won no fewer than 57 games each season and advanced to at least the Western Conference Semifinals each year while posting a .719 winning percentage over that seven-year span.

Community involvement and giving back have been a pillar of the Thunder organization since moving to Oklahoma City in 2008. Presti has led community involvement initiatives for both Thunder players and staff. Under his leadership,

Thunder players have made nearly 3,200 community appearances in and around Oklahoma City.

Understanding the Oklahoma City National Memorial & Museum as part of the fabric of the community, Presti has made it policy for every new player and staff member to tour the Oklahoma City National Memorial & Museum soon after joining the organization.

Philanthropy has been a lifelong passion and commitment of Presti and his family as well. Presti was elected as a member of the Executive Committee at the Oklahoma City National Memorial & Museum after previously serving on the Board of Trustees. While on the Board, Presti helped lead the Memorial's Oklahoma Standard campaign, a movement built on the foundation of resilience, compassion, consistent acts of honor, service and kindness.

In July of 2020, Presti and his high school teammate, friend and CAA Sports executive Mike Johnson, launched the Thunder Fellows Program, a partnership between the Thunder and CAA Sports intended to unlock new opportunities in sports, technology and entertainment for students in the Tulsa area. Located in the Historic Greenwood District of Tulsa, the curriculum focuses on increasing the odds of high school and college completion through mentorship, skill development, and the provision of practical experience. Students are exposed to a variety of disciplines within Thunder basketball operations, where they work on real-world projects for the organization.

The Presti family became significant benefactors to the Children's Hospital at OU Medicine in 2019, as their contributions provided renovations and upgrades to two procedure rooms at the Jimmy Everest Center for Cancer and Blood Disorders for Children and the Bone Marrow Transplant Unit at The Children's Hospital. The Prestis' philanthropy also helped create the "Presti Clubhouse," a nurturing and interactive space for children and their parents.

In recent years, Presti has led a fundraising initiative at his alma mater, Emerson College, to establish a scholarship in honor of Professor Mike Brown. Professor Brown taught courses on government, civil rights and the First Amendment. The scholarship will support incoming students from historically underserved and underrepresented backgrounds with financial need.

Also, Presti established the Keenan Smith-Anthony Halls Scholarship Fund at his former high school, Concord-Carlisle. The scholarship is named after two high school basketball teammates and close friends of Presti's, Anthony Halls and Keenan Smith, who were participants in the METCO program at Presti's high school. The scholarship recognizes Concord-Carlisle High School METCO graduating seniors who possess good academic and attendance records and have demonstrated strong athletic performance.

More than 550 students have taken part in Presti's Forward Thinking Leadership Development Program. Created in 2011, in partnership with several local organizations, the program aims to help the next generation of youth in the surrounding community. The curriculum is currently being taught to the Thunder Fellows students in Tulsa. Presti has also incorporated the University of Pennsylvania's resilience and optimism into the program.

Through the years, Presti has also been involved with PeacePlayers International (PPI), a global outreach program focused on bringing children and communities together through the game of basketball. In 2018, Presti brought PPI together with the Oklahoma City Police Athletic League and made a significant donation to help the two parties collaborate and develop programs to foster positive relations with youth and law enforcement.

Presti received the state of Oklahoma's highest honor when he was named to the 2025 Oklahoma Hall of Fame induction class. Established in 1927, the Oklahoma Hall of Fame honors extraordinary Oklahomans who have left a significant legacy on the well-being of the state.

Previously, in 2024, Presti received the Lee Allan Smith Legacy Award from the Oklahoma Hall of Fame. This award is presented annually to an individual in the community who impacts future generations through their civic engagement and volunteer efforts.

In September of 2021, Oklahoma City University announced the induction of Presti into the Oklahoma Commerce and Industry Hall of Honor which recognizes business and community leaders who have made significant contributions to the growth and development of Oklahoma.

In 2016, Presti was awarded the Humanitarian Award from the Oklahoma Center for Community and Justice due to his work in the area of diversity and inclusion in the workplace. He was also named Oklahoman of the Year by Oklahoma Magazine in 2016. Presti was recognized as Oklahoma City University's 2012-13 recipient of the Abe Lemons/Paul Hansen Award for Sports Excellence and he also won the Oklahoma March of Dimes Sports Headliner Special Award in 2013.

This past year Presti was named to the advisory board for the American Song Archives, which is the umbrella organization for the Bob Dylan Center and the Woodie Guthrie Center, both located in Tulsa.

In 2000, Presti earned his bachelor's degree in communications, politics and law with a minor in psychology from Emerson College in Boston, where he was the first Rhodes Scholar nominee in school history.

While a student at Emerson, the Concord, Mass. native served as team captain of the Emerson College basketball team during both his junior and senior seasons. In addition, Presti earned All-Academic honors two times and was twice selected to the Great Northeast Athletic Conference All-Tournament team.

Presti is now on Emerson College's Board of Trustees, where he supports the college's strategic initiatives. Previously, he was honored with the Emerson College Young Alumnus Award in 2005.

Presti has also completed Harvard University's Continuing Education program on leadership and decision-making.

A skilled drummer, Presti has produced three music CDs with all proceeds benefiting the Extra Ordinary Needs Fund at Children's Hospital in Boston.

The Oklahoma City Blue is set to begin its 19th season as the Thunder's NBA G League affiliate. Originally purchased in 2008 by the Professional Basketball Club, LLC, the Thunder's development team played its first six seasons as the Tulsa 66ers before being relocated to Oklahoma City in 2014.

The Blue returns to the court for the 2026-27 season after finishing the 2025-26 season with a 16-34 record, including a 4-10 record in Showcase Cup play.

The Thunder has displayed a strong history of utilizing its G League affiliate for developing talented players and staff. Daniel Dixon recently completed his fifth season with the Thunder organization and first as the Head Coach of the Oklahoma City Blue. Dixon was a member of the Thunder staff during the team's 2025 NBA Championship run and he spent the previous two seasons as an assistant coach with the Oklahoma City Blue, winning the 2024 NBA G League Championship. Prior to his time in Oklahoma City, Dixon worked as video coordinator for the Charlotte Hornets in the 2021-22 season. Dixon served as the head coach for the Thunder's Summer League team in both 2025 and 2026.

The past six coaches of this team have received "call-ups" to the NBA ranks. Mark Daigneault (2014-19) was named Head Coach of the Oklahoma City Thunder on Nov. 11, 2020 after spending the 2019-20 season as an assistant on the Thunder bench. Grant Gibbs was named a Thunder assistant coach on Sept. 23, 2022, after leading the Blue for three seasons from 2019-2022. Darko Rajaković (2012-14) is the head coach of the Toronto Raptors and began his career with the Thunder while Dale Osbourne (2011-12) and Nate Tibbets (2009-11) both serve as an assistant coach with the Orlando Magic. Most recently, Kam Woods was named a Thunder assistant coach after leading the Blue for three seasons from 2022-2025.

Since becoming the Oklahoma City Blue in 2014, the Blue has posted a winning record in seven seasons and made five playoff appearances during that span.

DANIEL DIXON

HEAD COACH

Daniel Dixon was named the ninth head coach on Oklahoma City Blue history on Aug. 28th, 2025. Daniel Dixon recently completed his fifth season with the Thunder organization and first as the Head Coach of the Oklahoma City Blue. Dixon was a member of the Thunder staff during the team's 2025 NBA Championship run and he spent the previous two seasons as an assistant coach with the Oklahoma City Blue, winning the 2024 NBA G League Championship. Prior to his time in Oklahoma City, Dixon worked as video coordinator for the Charlotte Hornets in the 2021-22 season. Dixon served as the head coach for the Thunder's Summer League team in both 2025 and 2026.

He spent the previous two seasons as an assistant coach with the Oklahoma City Blue. Dixon also served as the head coach for the Thunder in 2025 at Salt Lake City Summer League and in 2024 at Las Vegas Summer League. Before joining the Thunder organization, Dixon worked as video coordinator for the Charlotte Hornets in the 2021-22 season.

AWARDS
2009 NBA Mascot of the Year,
2022 NBA Community Impact Award
(voted by NBA Mascots)

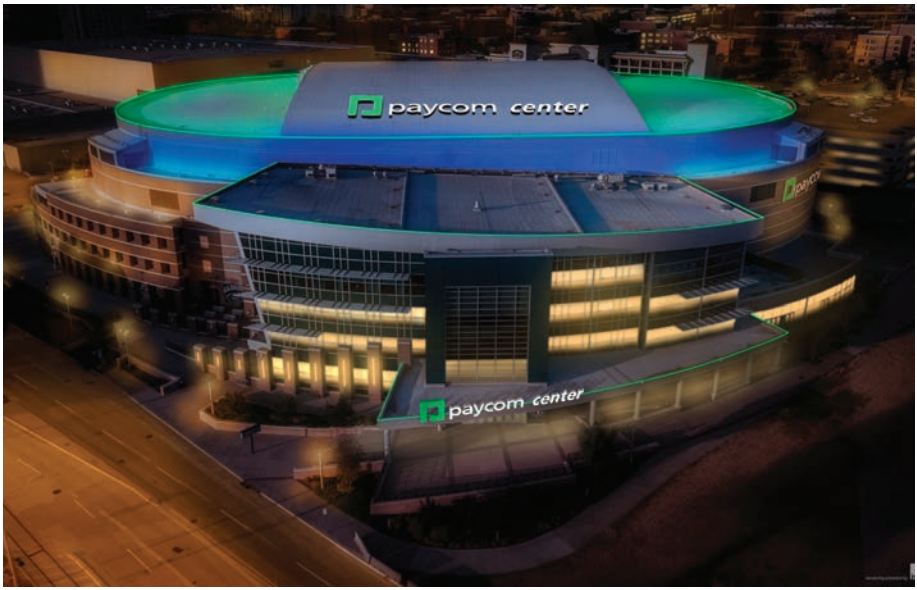

RUMBLE'S STORY:

This tale has been told around campfires for hundreds of years. A great herd of American bison was lost in the Arbuckle Mountains during a ferocious storm – the kind only Oklahoma can produce. Hail fell and tornadoes spun all around the herd as they stampeded, trying to find their way down to the safety of the plains. One lone bison stayed behind as he helped each of his friends escape down a treacherous ravine. Once all of his friends were safe, he began his descent only to find his way blocked by fallen boulders. Lost, he climbed to the tallest peak; left to face the storm alone and searching for a way down the mountain, he was struck by a bolt of lightning. The bolt did not destroy him, but, by the power of the god of thunder, changed him. Suddenly, he walked on two legs like a man. He possessed amazing strength and agility – he could jump higher, run faster, think more clearly than any beast. But because he was no longer just a bison – and yet not a man – he was alone. With many sightings, the legend grew through the years, of a mighty bison, with remarkable powers, roaming the hills alone. Not until a group of men who carried similar powers came to Oklahoma City did he find somewhere he belonged. These men also possessed the power to jump higher, run faster, and perform acrobatic dunks more spectacular than anyone in the land. They too carried the roar of Thunder every time they took to the court. So, he joined their team, and the new legend of Rumble was born.

In this role, he oversees all aspects of the team's business operations, including advancing the organization's business strategy, cultivating community partnerships, and delivering a first-class fan experience for Thunder fans at Paycom Center.

After overseeing the franchise's move from Seattle to Oklahoma City, Barth shifted his focus to the team's growth and development, including managing the remodel of the club's Oklahoma City arena to meet not only NBA requirements but also provide a strong, fan-focused environment. The facility upgrades included new hospitality areas, enhanced seating and sightlines, modernized common areas and concourses, and the team's permanent corporate office. Under his leadership, the team has seen significant growth in both attendance and fan engagement, thanks to innovative initiatives that prioritize customer satisfaction.

Under Barth's leadership, the Thunder has come to be regarded throughout the industry as a leader in the sports business and a model for best practices. The Thunder has consistently led the NBA in Net Promoter Score and overall game experience, ranking first or second in the league's survey each of the past nine seasons. Under Barth's direction, the club's brand has also expanded both locally and nationally. Katrina Wiley serves as the Vice President of People & Culture. In her current role, Wileyis the head of the human resources and employee experience and oversees employee relations, recruiting and onboarding efforts, payroll and benefits for staff and players, employee experience and engagement and people technology and analytics.

Originally from the Pacific Northwest, Wiley joined the organization in September 2006 as the Payroll & Benefits Coordinator before spending time as the Manager, Payroll & Benefits and the Manager and later Director of Human Resources. Prior to her career in professional sports, Wiley honed her skills in business administration and people operations with a Seattle-based property management firm. Like many Northwesterners, she also spent many years as a barista, managing a West Seattle neighborhood espresso shop that became a hub of community activity and inclusion.

After making Oklahoma home, Wiley attended the University of Central Oklahoma where she graduated with a double major in Human Resource Management and Business Administration. She holds certificates in HR, diversity recruiting, inclusive workplaces, and payroll. She is also a graduate of Leadership Oklahoma City Class XLII.

An avid gardener and believer in sustainability and urban gardening, Wiley has been an Oklahoma County Extension Master Gardener since 2018 and serves on the board of the Friends of Will Rogers Gardens Foundation. She and her husband David are actively committed to feral cat management and care and live in Oklahoma City with their very spoiled rescue cats.

NBA PLAYOFF STRUCTURE/ATTENDANCE

2026 NBA PLAYOFF STRUCTURE

Eight teams from each conference qualify for the NBA Playoffs. The three division winners and the team with the next-best record from each conference will receive the top four seeds and will be ranked Nos. 1-4 according to their regular-season records. The remaining four teams in each conference will be seeded 5-8 according to their won-lost records. The Play-In Tournament will determine the teams that will fill the seventh and eighth playoff seeds in each conference.

The Play-In Tournament, which will take place after the regular season and before the first round of the playoffs, will include the teams with the seventh-highest through the tenth-highest winning percentages in each conference. In each round of the playoffs, the team with the better regular-season won-lost record gets the home-court advantage. All rounds of the playoffs are a best-of-seven series. Each best-of-seven series will play 2-2-1-1-1 format.

Michael Cage joined the Oklahoma City Thunder broadcasting team in 2014 as the television analyst for the team's local broadcasts. A respected voice in basketball, Cage brings more than three decades of experience as an NBA player, broadcaster, coach, and mentor to his role.

Cage enjoyed a 15-year NBA career from 1984 to 2000, playing power forward for the Los Angeles Clippers, Seattle SuperSonics, Cleveland Cavaliers, Philadelphia 76ers, and New Jersey Nets. In 1988, he led the NBA in rebounding, securing the title with a 30-rebound performance in the final game of the regular season. Cage played in 1,140 NBA games, including 736 consecutive games — a mark that ranks among the top five in NBA history.

A native of West Memphis, Arkansas, Cage was selected by the Clippers in the first round of the 1984 NBA Draft after a standout career at San Diego State University. During his time with the Aztecs, he was a two-time Western Athletic Conference Player of the Year and earned second-team All-America honors in 1984. San Diego State retired his No. 44 jersey that same year and officially raised it to the rafters in 2023.

Cage also represented the United States as a member of the gold-medal-winning 1983 Pan American Games basketball team. His accomplishments have earned him induction into both the Arkansas Sports Hall of Fame and the San Diego State Hall of Fame.

Following his playing career, Cage established himself as a successful broadcaster and coach. His broadcasting credits include television analyst roles with the Memphis Grizzlies, FOX Sports West, Prime Ticket, ESPN, and Westwood One radio. As a coach, he led Mater Dei High School in Los Angeles to back-to-back California state championships in 2013 and 2014, as well as a national championship in 2014. He also served as a guest coach for the Cleveland Cavaliers during the 2013 NBA Summer League in Las Vegas.

Beyond basketball, Cage is deeply committed to giving back to the next generation. Through the Michael Cage Foundation, he works with young athletes, providing mentorship, teaching valuable life lessons, and encouraging them to reach their full potential both on and off the court.

The Oklahoma City Thunder began calling the Thunder ION home just prior to the start of the 2011-12 season. The 53,000 square foot state-of-the-art practice facility features two full-sized basketball courts, a 27-seat team classroom and a hydrotherapy area which was designed to benefit the Thunder's medical and training staff in the prevention and rehabilitation of injuries.

Funding for the construction of the practice facility and renovations to Paycom Center comes from a one-cent sales tax approved by Oklahoma City voters on March 4, 2008. The 15-month tax took effect on January 1, 2009 and ran through March 31, 2010. As part of the lease agreement, the Thunder will make an annual rent payment to the City of Oklahoma City.

During the groundbreaking ceremony in August of 2009, Oklahoma City Mayor Mick Cornett commented, "Having the Thunder in Oklahoma City has been a tremendous sense of pride for our community. When the citizens of Oklahoma City passed the Big League City initiative to renovate the city's downtown arena and build an NBA-leading practice facility, we all looked forward to this day."
